Email: diegopie@outlook.com

DoB: April 1996

Key Skills

- Digital media creation and design
- Proficient writing skills
- Excellent problem solving and collaboration skills
- Heritage Spanish Speaker
- Hobbyist computer repair
- Adobe Photoshop, Illustrator, InDesign
- Microsoft Word, Excel, OneNote
- JavaScript/jQuery, HTML/CSS, Bootstrap, node.js

Experience

WENDY'S, HEBER CITY SHIFT MANAGER

07/19/13 - 07/03/17

Required excellent communication and collaboration, I was promoted to shift manager in early 2016.

- Monitor employee performance to ensure compliance with company and food safety policies
- Create friendly atmosphere for crew and guests
- Manage shifts as efficiently as possible
- Hiring and training employees

SUNDIAL LODGE, PARK CITY LEAD NIGHT AUDIT

09/19/17 - 8/30/19

I managed the desk and emergency situations. Given its elegant nature, professional communication and appearance are vital for pleasing our guests.

- Manage front desk responsibilities for multiple properties and knowledge of each property's accommodations
- Quickly and effectively resolve any guest issue
- Manage all incoming phone calls and emails
- Create and manage training procedures

WORTHY.COM, SALT LAKE CITY ACCOUNT EXECUTIVE

08/28/19 - 07/02/2020

As a startup, I had the opportunity to impact improvements to our website, training, and CRM system.

- Achieving daily metric goals
- Sell our clients on our service to push delivers
- Achieving monthly GMV goals to drive company growth
- Collaborate with coworkers to streamline or improve various aspect of the company

Education

UNIVERSITY OF UTAH: FULL STACK WEB DEVELOPMENT BOOTCAMP

2020 - 2021

I tend to thrive in a fast-paced learning environment and am finding success in this boot-camp. These are my biggest accomplishments thus far:

[QR-Aid Codes](#) | [GitHub Link](#)

- This application generates QR Codes that add an event to a user's calendar
- Users can interact with a natural UI to schedule events for their friends. As team leader, I delegated responsibilities and insured we could deploy by our deadline
 - CERTIFICATE OF RECOGNITION: BEST USE OF TECH
 - CERTIFICATE OF RECOGNITION: SHUT UP AND TAKE MY MONEY

[The Smartest Among Us](#) | [GitHub Link](#)

- This website was my first full stack project, utilizing mySequel database, Handlebars, Passport user authentication, OpenTrivia API, and jQuery for page functions.
- Users can play randomly generated quizzes, global quizzes with a public leaderboard, and create their own quizzes to share with a private leaderboard.
 - CERTIFICATE OF RECOGNITION: SHUT UP AND TAKE MY MONEY

[LOCAL WEATHER FORECAST](#) | [GitHub Link](#)

- Using OpenWeather API, this page lets users check the local weather for most US cities and saves their recent searches on the page.
